

KINGDOM ECONOMY

Stewardship Challenge

WEEK 3

Faithfully Investing What God Has Entrusted To You

"Whoever can be trusted with very little can also be
trusted with much."

Luke 16:10

INTRODUCTION

Introduction

Over the last three weeks of our Kingdom Economy series we've discovered that God owns everything, we are His stewards, and faithful stewardship leads to intentional investment in His Kingdom.

This challenge is designed to help you put that into practice. Don't rush through it. Instead, be still and find a quiet seat.

Take time this week to pray through each section and allow the Holy Spirit to speak.

This isn't about becoming richer.
It's about becoming a more faithful steward.

"Whoever can be trusted with very little can also be trusted with much."

Luke 16:10

CLOSING PRAYER

Father,

Thank You that everything I have comes from You. Thank You for entrusting me with time, gifts, finances, relationships and opportunities.

Forgive me for the times I have lived like an owner instead of a steward. Help me faithfully invest everything You have placed into my hands.

Teach me to trust You as my Provider. Give me wisdom to budget well, courage to create margin and faith to live generously.

May the finances, time, gifts and life you have given me reflect that you are Lord. Help me store up treasures in heaven, faithfully investing in the things that will last for eternity. I trust you for my daily bread, and use my life to build Your Kingdom.

In Jesus' name,
Amen.
